AMA Credit Designation: This activity has been approved for AMA PRA Category 1 Credit(s)™.

Friday/Saturday, May 30-31, 2014

We would like to invite you to a two-day FREE International symposium designed for brachytherapists, as well as radiation oncologists, physicists, urologists, dermatologists, breast surgeons, gynecologists and administrators who use brachytherapy or are interested to learn about brachytherapy.

Participants will learn the key clinical and market drivers for brachytherapy, and better utilize the options that brachytherapy provides to their patients.

Where Fontainebleau Miami Beach
4411 Collins Ave
Miami Beach, FL, 33140, USA

Co-Chairs

Janusz Skowronek, MD, PhD
Assistant Professor
Head of Brachytherapy Department
Greater Poland Cancer Center
Poznań, Poland

Tim R. Williams, MD
Medical Director -
Department of Radiation Oncology
The Lynn Cancer Institute at
Boca Raton Regional Hospital
Boca Raton, FL, USA

I am interested in registering or viewing additional information about this FREE International CME Symposium.

or visit www.cancereducation.com/BrachyNext

This symposium will present the most up-to-date information on brachytherapy. It will focus on new advancements and implementation of state-of-the-art brachytherapy, and jointly identify next steps to advance its clinical relevance. Those who use brachytherapy to care for patients with prostate, breast, lung, esophageal, gynecologic, skin, endorectal, and head and neck cancers will benefit.
